EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeffrey Kaplan (#34,356) on 10 January 2005.

2. The application has been amended as follows (relative to the amendment filed 29 December 2004):

In claim 29, line 4, delete "said saving means".

Rewrite claim 37 as:

37. (new) A service provider system comprising:

means for saving, without a request from subscriber servers, at least some of data communicated between said subscriber servers and said service provider system;

means for receiving a request from at least one of said subscriber servers for backing up a data increment identified by an identifier included in said request;

means for checking if said service provider system has a copy of at least a portion of said identified data increment or can regenerate or replicate at least a portion of the identified data increment;

means for monitoring and copying data having specified properties determined to be indicative of data likely to be subject to said request; and

Art Unit: 2188

means for backing up said identified data increment using said copy or regenerated or replicated portion from said service provider system.

Remarks

3. Applicant filed after-final amendments on 27 December and 28 December 2004. These amendments have not been entered since they are cumulative to the amendment filed 29 December 2004. The amendment filed on 30 December 2004 is a copy of the amendment filed 28 December 2004 and has also not been entered.
